This certifies that _____ is the registered owner of the Percentage Interest evidenced by this Certificate (obtained by dividing the Certificate Principal Balance of this Certificate by the aggregate Certificate Principal Balance of all Class M- Certificates, both as specified above) in certain distributions with respect to a Trust Fund consisting primarily of a pool of (conventional one- to four-family fixed interest rate first mortgage loans) (the "Mortgage Loans"), formed and sold by Residential Accredit Loans, Inc. (hereinafter called the "Company," which term includes any successor entity under the Agreement referred to below). The Trust Fund was created pursuant to a Pooling and Servicing Agreement dated as specified above (the "Agreement") among the Company, the Master Servicer and _____, as trustee (the "Trustee"), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, the capitalized terms used herein have the meanings assigned in the Agreement. This Certificate is issued under and is subject to the terms, provisions and conditions of the Agreement, to which Agreement the Holder of this Certificate by virtue of the acceptance hereof assents and by which such Holder is bound.

Pursuant to the terms of the Agreement, a distribution will be made on the 25th day of each month or, if such 25th day is not a Business Day, the Business Day immediately following (the "Distribution Date"), commencing as described in the Agreement, to the Person in whose name this Certificate is registered at the close of business on the last day (or if such last day is not a Business Day, the Business Day immediately preceding such last day) of the month immediately preceding the month of such distribution (the "Record Date"), from the Available Distribution Amount in an amount equal to the product of the Percentage Interest evidenced by this Certificate and the amount (of interest and principal, if any) required to be distributed to Holders of Class M- Certificates on such Distribution Date.

Distributions on this Certificate will be made either by the Master Servicer acting on behalf of the Trustee or by a Paying Agent appointed by the Trustee in immediately available funds (by wire transfer or otherwise) for the account of the Person entitled thereto if such Person shall have so notified the Master Servicer or such Paying Agent, or by check mailed to the address of the Person entitled thereto, as such name and address shall appear on the Certificate Register.

Notwithstanding the above, the final distribution on this Certificate will be made after due notice of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency appointed by the Trustee for that purpose. The Initial Certificate Principal Balance of this Certificate is set forth above. The Certificate Principal Balance hereof will be reduced to the extent of the distributions allocable to principal and any Realized Losses allocable hereto.

Any transferee of this Certificate will be deemed to have represented by virtue of its purchase or holding of this Certificate (or interest herein) that either (a) such transferee is not an investment manager, a named fiduciary or a trustee of any plan, or any other person, acting, directly or indirectly, on behalf of or purchasing any Certificate with "plan assets" of any plan (a "plan investor"), (b) it has acquired and is holding such Certificate in reliance on prohibited transaction exemption ("PTE") 94-29, as most recently amended, PTE 2002-41, 67 Fed. Reg. 54487 (August 22, 2002) (the "RFC Exemption"), and that it understands that there are certain conditions to the availability of the RFC Exemption including that such Certificate must be rated, at the time of purchase, not lower than "BBB-" (or its equivalent) by Standard & Poor's, Fitch or Moody's or (c) (i) the transferee is an insurance company, (ii) the source of funds to be used by it to purchase the Certificate is an "insurance company general account" (within the meaning of U.S. Department of Labor prohibited transaction class exemption ("PTCE") 95-60), and (iii) the conditions set forth in Sections I and III of PTCE 95-60 have been satisfied (each entity that satisfies this clause (c), a "complying insurance company").

If this Certificate (or any interest herein) is acquired or held by any person that does not satisfy the conditions described in the preceding paragraph, then the last preceding transferee that either (i) is not a plan investor, (ii) acquired such Certificate in compliance with the RFC Exemption, or (iii) is a complying insurance company shall be restored, to the extent permitted by law, to all rights and obligations as Certificate owner thereof retroactive to the date of such transfer of this Certificate. The Trustee shall be under no liability to any person for making any payments due on this Certificate to such preceding transferee.

This Certificate is one of a duly authorized issue of Certificates issued in several Classes designated as Mortgage Asset-Backed Pass-Through Certificates of the Series specified hereon (herein collectively called the "Certificates").

The Certificates are limited in right of payment to certain collections and recoveries respecting the Mortgage Loans, all as more specifically set forth herein and in the Agreement. In the event Master Servicer funds are advanced with respect to any Mortgage Loan, such advance is reimbursable to the Master Servicer, to the extent provided in the Agreement, from related recoveries on such Mortgage Loan or from other cash that would have been distributable to Certificateholders.

As provided in the Agreement, withdrawals from the Custodial Account and/or the Certificate Account created for the benefit of Certificateholders may be made by the Master Servicer from time to time for purposes other than distributions to Certificateholders, such purposes including without limitation reimbursement to the Company and the Master Servicer of advances made, or certain expenses incurred, by either of them.

The Agreement permits, with certain exceptions therein provided, the amendment of the Agreement and the modification of the rights and obligations of the Company, the Master Servicer and the Trustee and the rights of the Certificateholders under the Agreement at any time by the Company, the Master Servicer and the Trustee with the consent of the Holders of Certificates evidencing in the aggregate not less than 66% of the Percentage Interests of each Class of Certificates affected thereby. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange

herefor or in lieu hereof whether or not notation of such consent is made upon the Certificate. The Agreement also permits the amendment thereof in certain circumstances without the consent of the Holders of any of the Certificates and, in certain additional circumstances, without the consent of the Holders of certain Classes of Certificates.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register upon surrender of this Certificate for registration of transfer at the offices or agencies appointed by the Trustee, duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in Classes and in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Master Servicer, the Trustee and the Certificate Registrar and any agent of the Company, the Master Servicer, the Trustee or the Certificate Registrar may treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Company, the Master Servicer, the Trustee nor any such agent shall be affected by notice to the contrary.

This Certificate shall be governed by and construed in accordance with the laws of the State of New York.

The obligations created by the Agreement in respect of the Certificates and the Trust Fund created thereby shall terminate upon the payment to Certificateholders of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Agreement following the earlier of (i) the maturity or other liquidation of the last Mortgage Loan subject thereto or the disposition of all property acquired upon foreclosure or deed in lieu of foreclosure of any Mortgage Loan and (ii) the purchase by the Master Servicer from the Trust Fund of all remaining Mortgage Loans and all property acquired in respect of such Mortgage Loans, thereby effecting early retirement of the Certificates. The Agreement permits, but does not require, the Master Servicer to (i) purchase at a price determined as provided in the Agreement all remaining Mortgage Loans and all property acquired in respect of any Mortgage Loan or (ii) purchase in whole, but not in part, all of the Certificates from the Holders thereof; provided, that any such option may only be exercised if the Pool Stated Principal Balance of the Mortgage Loans as of the Distribution Date upon which the proceeds of any such purchase are distributed is less than ten percent of the Cut-off Date Principal Balance of the Mortgage Loans.

Unless the certificate of authentication hereon has been executed by the Certificate Registrar, by manual signature, this Certificate shall not be entitled to any benefit under the Agreement or be valid for any purpose.

IN WITNESS WHEREOF, the Trustee has caused this Certificate to be duly executed,

evidencing a percentage interest in any distributions allocable to the Class B- Certificates with respect to the Trust Fund consisting primarily of a pool of [conventional one- to four-family fixed interest rate first mortgage loans] formed and sold by RESIDENTIAL ACCREDIT LOANS, INC.

This Certificate is payable solely from the assets of the Trust Fund, and does not represent an obligation of or interest in Residential Accredit Loans, Inc., the Master Servicer, the Trustee referred to below or GMAC Mortgage Group, LLC or any of their affiliates. Neither this Certificate nor the underlying Mortgage Loans are guaranteed or insured by any governmental agency or instrumentality or by Residential Accredit Loans, Inc., the Master Servicer, the Trustee or GMAC Mortgage Group, LLC or any of their affiliates. None of the Company, the Master Servicer, GMAC Mortgage Group, LLC or any of their affiliates will have any obligation with respect to any certificate or other obligation secured by or payable from payments on the Certificates.

This certifies that Residential Accredit Loans, Inc. is the registered owner of the Percentage Interest evidenced by this Certificate (obtained by dividing the Certificate Principal Balance of this Certificate by the aggregate Certificate Principal Balance of all Class B- Certificates, both as specified above) in certain distributions with respect to a Trust Fund consisting primarily of a pool of [conventional one- to four-family fixed interest rate first mortgage loans] (the "Mortgage Loans"), formed and sold by Residential Accredit Loans, Inc. (hereinafter called the "Company," which term includes any successor entity under the Agreement referred to below). The Trust Fund was created pursuant to a Pooling and Servicing Agreement dated as specified above (the "Agreement") among the Company, the Master Servicer and _____, as trustee (the "Trustee"), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, the capitalized terms used herein have the meanings assigned in the Agreement. This Certificate is issued under and is subject to the terms, provisions and conditions of the Agreement, to which Agreement the Holder of this Certificate by virtue of the acceptance hereof assents and by which such Holder is bound.

Pursuant to the terms of the Agreement, a distribution will be made on the 25th day of each month or, if such 25th day is not a Business Day, the Business Day immediately following (the "Distribution Date"), commencing on the first Distribution Date specified above, to the Person in whose name this Certificate is registered at the close of business on the last day (or if such last day is not a Business Day, the Business Day immediately preceding such last day) of the month next preceding the month of such distribution (the "Record Date"), from the Available Distribution Amount in an amount equal to the product of the Percentage Interest evidenced by this Certificate and the amount (of interest and principal, if any) required to be distributed to Holders of Class B Certificates on such Distribution Date.

Distributions on this Certificate will be made either by the Master Servicer acting on behalf of the Trustee or by a Paying Agent appointed by the Trustee in immediately available funds (by wire transfer or otherwise) for the account of the Person entitled thereto if such Person shall have so notified the Master Servicer or such Paying Agent, or by check mailed to the address of the Person entitled thereto, as such name and address shall appear on the Certificate Register.

Notwithstanding the above, the final distribution on this Certificate will be made after due notice of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency appointed by the Trustee for that purpose. The Initial Certificate Principal Balance of this Certificate is set forth above. The Certificate Principal Balance hereof will be reduced to the extent of the distributions allocable to principal and any Realized Losses allocable hereto.

No transfer of this Class B Certificate will be made unless such transfer is exempt from the registration requirements of the Securities Act of 1933, as amended, and any applicable state securities laws or is made in accordance with said Act and laws. In the event that such a transfer is to be made, (i) the Trustee or the Company may require an opinion of counsel acceptable to and in form and substance satisfactory to the Trustee and the Company that such transfer is exempt (describing the applicable exemption and the basis therefor) from or is being made pursuant to the registration requirements of the Securities Act of 1933, as amended, and of any applicable statute of any state and (ii) the transferee shall execute an investment letter in the form described by the Agreement. The Holder hereof desiring to effect such transfer shall, and does hereby agree to, indemnify the Trustee, the Company, the Master Servicer and the Certificate Registrar acting on behalf of the Trustee against any liability that may result if the transfer is not so exempt or is not made in accordance with such Federal and state laws. In connection with any such transfer, the Trustee will also require either (i) an opinion of counsel addressed to the Trustee, the Company and the Master Servicer, acceptable to and in form and substance satisfactory to the Trustee with respect to the permissibility of such transfer under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and Section 4975 of the Internal Revenue Code (the "Code") and stating, among other things, that the transferee's acquisition of a Class B Certificate will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (ii) a representation letter, in the form as described by Section 5.02(e) of the Agreement, either stating that the transferee is not an employee benefit or other plan subject to the prohibited transaction provisions of ERISA or Section 4975 of the Code (a "Plan"), or any other person (including an investment manager, a named fiduciary or a trustee of any Plan) acting, directly or

The Certificates are limited in right of payment to certain collections and recoveries respecting the Mortgage Loans, all as more specifically set forth herein and in the Agreement. In the event Master Servicer funds are advanced with respect to any Mortgage Loan, such advance is reimbursable to the Master Servicer, to the extent provided in the Agreement, from related recoveries on such Mortgage Loan or from other cash that would have been distributable to Certificateholders.

The Agreement permits, with certain exceptions therein provided, the amendment of the Agreement and the modification of the rights and obligations of the Company, the Master Servicer and the Trustee and the rights of the Certificateholders under the Agreement at any time by the Company, the Master Servicer and the Trustee with the consent of the Holders of Certificates evidencing in the aggregate not less than 66% of the Percentage Interests of each Class of Certificates affected thereby. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon the Certificate. The Agreement also permits the amendment thereof in certain circumstances without the consent of the Holders of any of the Certificates and, in certain additional circumstances, without the consent of the Holders of certain Classes of Certificates.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register upon surrender of this Certificate for registration of transfer at the offices or agencies appointed by the Trustee, duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in Classes and in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Master Servicer, the Trustee and the Certificate Registrar and any agent of the Company, the Master Servicer, the Trustee or the Certificate Registrar may treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Company, the Master Servicer, the Trustee nor any such agent shall be affected by notice to the contrary.

This Certificate shall be governed by and construed in accordance with the laws of the State of New York.

The obligations created by the Agreement in respect of the Certificates and the Trust Fund created thereby shall terminate upon the payment to Certificateholders of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Agreement following the earlier of (i) the maturity or other liquidation of the last Mortgage Loan subject thereto or the disposition of all property acquired upon foreclosure or deed in lieu of foreclosure of any Mortgage Loan and (ii) the purchase by the Master Servicer from the Trust Fund of all remaining Mortgage Loans and all property acquired in respect of such Mortgage Loans, thereby effecting early retirement of the Certificates. The Agreement permits, but does not require, the Master Servicer to (i) purchase at a price determined as provided in the Agreement all remaining Mortgage Loans and all property acquired in respect of any Mortgage Loan or (ii) purchase in whole, but not in part, all of the Certificates from the Holders thereof; provided, that any such option may only be exercised if the Pool Stated Principal Balance of the Mortgage Loans as of the Distribution Date upon which the proceeds of any such purchase are distributed is less than ten percent of the Cut-off Date Principal Balance of the Mortgage Loans.

Unless the certificate of authentication hereon has been executed by the Certificate Registrar, by manual signature, this Certificate shall not be entitled to any benefit under the Agreement or be valid for any purpose.

The Trust Fund was created pursuant to a Pooling and Servicing Agreement dated as specified above (the "Agreement") among the Company, the Master Servicer and _____, as trustee (the "Trustee"), a summary of certain of the pertinent provisions of which is set forth hereafter. The Holder hereof desiring to effect such transfer shall, and does hereby agree to, indemnify the Trustee, the Company, the Master Servicer and the Certificate Registrar acting on behalf of the Trustee against any liability that may result if the transfer is not so exempt or is not made in accordance with such Federal and state laws. In connection with any such transfer, the Trustee will also require either (i) an opinion of counsel addressed to the Trustee, the Company and the Master Servicer, acceptable to and in form and substance satisfactory to the Trustee with respect to the permissibility of such transfer under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and Section 4975 of the Internal Revenue Code (the "Code") and stating, among other things, that the transferee's acquisition of a Class P Certificate will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (ii) a representation letter, in the form as described by Section 5.02(e) of the Agreement, either stating that the transferee is not an employee benefit or other plan subject to the prohibited transaction provisions of ERISA or Section 4975 of the Code (a "Plan"), or any other person (including an investment manager, a named fiduciary or a trustee of any Plan) acting, directly or indirectly, on behalf of or purchasing any Certificate with "plan assets" of any Plan.

The Certificates are limited in right of payment to certain collections and recoveries respecting the Mortgage Loans, all as more specifically set forth herein and in the Agreement. In the event Master Servicer funds are advanced with respect to any Mortgage Loan, such advance is reimbursable to the Master Servicer, to the extent provided in the Agreement, from related recoveries on such Mortgage Loan or from other cash that would have been distributable to Certificateholders.

As provided in the Agreement, withdrawals from the Custodial Account and/or the Certificate Account created for the benefit of Certificateholders may be made by the Master Servicer from time to time for purposes other than distributions to Certificateholders, such purposes including without limitation reimbursement to the Company and the Master Servicer of advances made, or certain expenses incurred, by either of them.

Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon the Certificate. The Agreement also permits the amendment thereof in certain circumstances without the consent of the Holders of any of the Certificates and, in certain additional circumstances, without the consent of the Holders of certain Classes of Certificates.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register upon surrender of this Certificate for registration of transfer at the offices or agencies appointed by the Trustee, duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in Classes and in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Master Servicer, the Trustee and the Certificate Registrar and any agent of the Company, the Master Servicer, the Trustee or the Certificate Registrar may treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Company, the Master Servicer, the Trustee nor any such agent shall be affected by notice to the contrary.

This Certificate shall be governed by and construed in accordance with the laws of the State of New York.

The obligations created by the Agreement in respect of the Certificates and the Trust Fund created thereby shall terminate upon the payment to Certificateholders of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Agreement following the earlier of (i) the maturity or other liquidation of the last Mortgage Loan subject thereto or the disposition of all property acquired upon foreclosure or deed in lieu of foreclosure of any Mortgage Loan and (ii) the purchase by the Master Servicer from the Trust Fund of all remaining Mortgage Loans and all property acquired in respect of such Mortgage Loans, thereby effecting early retirement of the Certificates. The Agreement permits, but does not require, the Master Servicer to (i) purchase at a price determined as provided in the Agreement all remaining Mortgage Loans and all property acquired in respect of any Mortgage Loan or (ii) purchase in whole, but not in part, all of

evidencing a percentage interest in any distributions allocable to the Class SB-[] Certificates with respect to the Trust Fund consisting primarily of a pool of [one- to four-family residential, hybrid adjustable-rate first lien mortgage loans with a negative amortization feature] formed and sold by RESIDENTIAL ACCREDIT LOANS, INC.

This Certificate is payable solely from the assets of the Trust Fund, and does not represent an obligation of or interest in Residential Accredit Loans, Inc., the Master Servicer, the Trustee referred to below or GMAC Mortgage Group, LLC or any of their affiliates. Neither this Certificate nor the underlying Mortgage Loans are guaranteed or insured by any governmental agency or instrumentality or by Residential Accredit Loans, Inc., the Master Servicer, the Trustee or GMAC Mortgage Group, LLC or any of their affiliates. None of the Depositor, the Master Servicer, GMAC Mortgage Group, LLC or any of their affiliates will have any obligation with respect to any certificate or other obligation secured by or payable from payments on the Certificates.

This certifies that PRAMWAVE & CO. is the registered owner of the Percentage Interest evidenced by this Certificate in certain distributions with respect to the Trust Fund consisting primarily of an interest in a pool of [one- to four-family adjustable rate first lien mortgage loans] (the "Mortgage Loans"), sold by Residential Accredit Loans, Inc. (hereinafter called the "Depositor," which term includes any successor entity under the Agreement referred to below). The Trust Fund was created pursuant to a Pooling and Servicing Agreement dated as specified above (the "Agreement") among the Depositor, the Master Servicer and _____, as trustee (the "Trustee"), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, the capitalized terms used herein have the meanings assigned in the Agreement. This Certificate is issued under and is subject to the terms, provisions and conditions of the Agreement, to which Agreement the Holder of this Certificate by virtue of the acceptance hereof, assents and by which such Holder is bound.

Pursuant to the terms of the Agreement, a distribution will be made on the 25th day of each month or, if such 25th day is not a Business Day, the Business Day immediately following (the "Distribution Date"), commencing as described in the Agreement, to the Person in whose name this Certificate is registered at the close of business on the last Business Day of the month immediately preceding the month of such distribution (the "Record Date"), from the Available Distribution Amount in an amount equal to the product of the Percentage Interest evidenced by this Certificate and the amount of interest and principal, if any, required to be distributed to Holders of Class SB-[] Certificates on such Distribution Date.

Distributions on this Certificate will be made either by the Master Servicer acting on behalf of the Trustee or by a Paying Agent appointed by the Trustee in immediately available funds (by wire transfer or otherwise) for the account of the Person entitled thereto if such Person shall have so notified the Master Servicer or such Paying Agent, or by check mailed to the address of the Person entitled thereto, as such name and address shall appear on the Certificate Register.

Notwithstanding the above, the final distribution on this Certificate will be made after due notice of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency appointed by the Trustee for that purpose. The Notional Amount of this Class SB-[] Certificate as of any date of determination will be calculated as described in the Agreement. This Class SB-[] Certificate will accrue interest at the Pass-Through Rate on the Notional Amount as indicated in the definition of Accrued Certificate Interest in the Agreement. This Class SB-[] Certificate will not accrue interest on its Certificate Principal Balance.

No transfer of this Class SB-[] Certificate will be made unless such transfer is exempt from the registration requirements of the Securities Act of 1933, as amended, and any applicable state securities laws or is made in accordance with said Act and laws. In the event that such a transfer is to be made, (i) the Trustee or the Depositor may require an opinion of counsel acceptable to and in form and substance satisfactory to the Trustee and the Depositor that such transfer is exempt (describing the applicable exemption and the basis therefor) from or is being made pursuant to the registration requirements of the Securities Act of 1933, as amended, and of any applicable statute of any state and (ii) the transferee shall execute an investment letter in the form described by the Agreement. The Holder hereof desiring to effect such transfer shall, and does hereby agree to, indemnify the Trustee, the Depositor, the Master Servicer and the Certificate Registrar acting on behalf of the Trustee against any liability that may result if the transfer is not so exempt or is not made in accordance with such Federal and state laws.

No transfer of this Certificate or any interest herein shall be made to any Plan subject to Title I of ERISA or Section 4975 of the Code, any Person acting, directly or indirectly, on behalf of any such Plan or any Person acquiring such Certificates with "plan assets" of a Plan within the meaning of the Department of Labor regulation promulgated at 29 C.F.R.ss.2510.3-101, as modified by Section 3(42) of ERISA ("Plan Asset Regulations"), unless the Depositor, the Trustee and the Master Servicer are provided with an Opinion of Counsel which establishes to the satisfaction of the Trustee that the purchase of this Certificate is permissible under applicable law, will not constitute or result in any prohibited transaction under Title I of ERISA or Section 4975 of the Code and will not subject the Depositor, the Master Servicer, the Trustee or the Trust Fund to any obligation or liability (including obligations or liabilities under Title I of ERISA or Section 4975 of the Code) in addition to those undertaken in the Agreement, which Opinion of Counsel shall not be an expense of the Depositor, the Master Servicer, the Trustee or the Trust Fund.

This Certificate is one of a duly authorized issue of Certificates issued in several Classes designated as Mortgage Asset-Backed Pass-Through Certificates of the Series specified hereon (herein collectively called the "Certificates").

The Certificates are limited in right of payment to certain collections and recoveries respecting the Mortgage Loans, all as more specifically set forth herein and in the Agreement. In the event Master Servicer funds are advanced with respect to any Mortgage Loan, such advance is reimbursable to the Master Servicer, to the extent provided in the Agreement, from related recoveries on such Mortgage Loan or from other cash that would have been distributable to Certificateholders.

As provided in the Agreement, withdrawals from the Custodial Account and/or the Certificate Account created for the benefit of Certificateholders may be made by the Master Servicer from time to time for purposes other than distributions to Certificateholders, such purposes including without limitation reimbursement to the Depositor and the Master Servicer of advances made, or certain expenses incurred, by either of them.

The Agreement permits, with certain exceptions therein provided, the amendment of the Agreement and the modification of the rights and obligations of the Depositor, the Master Servicer and the Trustee and the rights of the Certificateholders under the Agreement from time to time by the Depositor, the Master Servicer and the Trustee with the consent of the Holders of Certificates evidencing in the aggregate not less than 66% of the Percentage Interests of each Class of Certificates affected thereby. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon the Certificate. The Agreement also permits the amendment thereof in certain circumstances without the consent of the Holders of any of the Certificates and, in certain additional circumstances, without the consent of the Holders of certain Classes of Certificates.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register upon surrender of this Certificate for registration of transfer at the offices or agencies appointed by the Trustee, duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing

The Certificates are issuable only as registered Certificates without coupons in Classes and in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Depositor, the Master Servicer, the Trustee, the Certificate Registrar and any agent of the Depositor, the Master Servicer, the Trustee or the Certificate Registrar may treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Depositor, the Master Servicer, the Trustee nor any such agent shall be affected by notice to the contrary.

This Certificate shall be governed by and construed in accordance with the laws of the State of New York.

The obligations created by the Agreement in respect of the Certificates and the Trust Fund created thereby shall terminate upon the payment to Certificateholders of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Agreement following the earlier of (i) the maturity or other liquidation of the last Mortgage Loan subject thereto or the disposition of all property acquired upon foreclosure or deed in lieu of foreclosure of any Mortgage Loan, and (ii) the purchase by the Master Servicer from the Trust Fund of all remaining Mortgage Loans and all property acquired in respect of such Mortgage loans, thereby effecting early retirement of the Certificates. The Agreement permits, but does not require, the Master Servicer (i) to purchase, at a price determined as provided in the Agreement, all remaining Mortgage Loans and all property acquired in respect of any Mortgage Loan or (ii) to purchase in whole, but not in part, all of the Certificates from the Holders thereof, provided, that any such option may only be exercised if the Stated Principal Balance before giving effect to the distributions to be made on such Distribution Date of the Mortgage Loans, as of the Distribution Date upon which the proceeds of any such purchase are distributed is less than ten percent of the Cut-off Date Principal Balance of the Mortgage Loans.

Agreement.

No transfer of this Class R Certificate will be made unless the Trustee has received either (i) an opinion of counsel addressed to the Trustee, the Company and the Master Servicer, acceptable to and in form and substance satisfactory to the Trustee with respect to the permissibility of such transfer under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and Section 4975 of the Internal Revenue Code (the "Code") and stating, among other things, that the transferee's acquisition of a Class R Certificate will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (ii) a representation letter, in the form as described by the Agreement, stating that the transferee is not an employee benefit or other plan subject to the prohibited transaction provisions of ERISA or Section 4975 of the Code (a "Plan"), or any other person (including an investment manager, a named fiduciary or a trustee of any Plan) acting, directly or indirectly, on behalf of or purchasing any Certificate with "plan assets" of any Plan.

This Certificate is one of a duly authorized issue of Certificates issued in several Classes designated as Mortgage Asset-Backed Pass-Through Certificates of the Series specified hereon (herein collectively called the "Certificates").

The Certificates are limited in right of payment to certain collections and recoveries respecting the Mortgage Loans, all as more specifically set forth herein and in the Agreement. In the event Master Servicer funds are advanced with respect to any Mortgage Loan, such advance is reimbursable to the Master Servicer, to the extent provided in the Agreement, from related recoveries on such Mortgage Loan or from other cash that would have been distributable to Certificateholders.

As provided in the Agreement, withdrawals from the Custodial Account and/or the Certificate Account created for the benefit of Certificateholders may be made by the Master Servicer from time to time for purposes other than distributions to Certificateholders, such purposes including without limitation reimbursement to the Company and the Master Servicer of advances made, or certain expenses incurred, by either of them.

The Agreement permits, with certain exceptions therein provided, the amendment of the Agreement and the modification of the rights and obligations of the Company, the Master Servicer and the Trustee and the rights of the Certificateholders under the Agreement at any time by the Company, the Master Servicer and the Trustee with the consent of the Holders of Certificates evidencing in the aggregate not less than 66% of the Percentage Interests of each Class of Certificates affected thereby. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon the Certificate. The Agreement also permits the amendment thereof in certain circumstances without the consent of the Holders of any of the Certificates and, in certain additional circumstances, without the consent of the Holders of certain Classes of Certificates.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register upon surrender of this Certificate for registration of transfer at the offices or agencies appointed by the Trustee, duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in Classes and in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of authorized denominations evidencing the same Class and aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Master Servicer, the Trustee and the Certificate Registrar and any agent of the Company, the Master Servicer, the Trustee or the Certificate Registrar may treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Company, the Master Servicer, the Trustee nor any such agent shall be affected by notice to the contrary.

This Certificate shall be governed by and construed in accordance with the laws of the State of New York.

The obligations created by the Agreement in respect of the Certificates and the Trust Fund created thereby shall terminate upon the payment to Certificateholders of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Agreement following the earlier of (i) the maturity or other liquidation of the last Mortgage Loan subject thereto or the disposition of all property acquired upon foreclosure or deed in lieu of foreclosure of any Mortgage Loan and (ii) the purchase by the Master Servicer from the Trust Fund of all remaining Mortgage Loans and all property acquired in respect of such Mortgage Loans, thereby effecting early retirement of the Certificates. FORM OF SELLER/SERVICER CONTRACT

This Seller/Service Contract (as may be amended, supplemented or otherwise modified from time to time, this "Contract") is made this _____ day of _____, 20____, by and between Residential Funding Company, LLC, its successors and assigns ("Residential Funding") and _____ (the "Seller/Service," and, together with Residential Funding, the "parties" and each, individually, a "party").

WHEREAS, the Seller/Service desires to sell Loans to, and/or service Loans for, Residential Funding, and Residential Funding desires to purchase Loans from the Seller/Service and/or have the Seller/Service service various of its Loans, pursuant to the terms of this Contract and the Residential Funding Seller and Service Guides incorporated herein by reference, as amended, supplemented or otherwise modified, from time to time (together, the "Guides").

NOW, THEREFORE, in consideration of the premises, and the terms, conditions and agreements set forth below, the parties agree as follows:

1. INCORPORATION OF GUIDES BY REFERENCE.

The Seller/Service acknowledges that it has received and read the Guides. All provisions of the Guides are incorporated by reference into and made a part of this Contract, and shall be binding upon the parties; provided, however, that the Seller/Service shall be entitled to sell Loans to and/or service Loans for Residential Funding only if and for so long as it shall have been authorized to do so by Residential Funding in writing. Specific reference in this Contract to particular provisions of the Guides and not to other provisions does not mean that those provisions of the Guides not specifically cited in this Contract are not applicable. All terms used herein shall have the same meanings as such terms have in the Guides, unless the context clearly requires otherwise.

2. AMENDMENTS.

This Contract may not be amended or modified orally, and no provision of this Contract may be waived or amended except in writing signed by the party against whom enforcement is sought. Such a written waiver or amendment must expressly reference this Contract. However, by their terms, the Guides may be amended or supplemented by Residential Funding from time to time. Any such amendment(s) to the Guides shall be binding upon the parties hereto.

3. REPRESENTATIONS AND WARRANTIES.

a. Reciprocal Representations and Warranties.

The Seller/Service and Residential Funding each represents and warrants to the other that as of the date of this Contract:

- (1) Each party is duly organized, validly existing, and in good standing under the laws of its jurisdiction of organization, is qualified, if necessary, to do business and in good standing in each jurisdiction in which it is required to be so qualified, and has the requisite power and authority to enter into this Contract and all other agreements which are contemplated by this Contract and to carry out its obligations hereunder and under the Guides and under such other agreements.
- (2) This Contract has been duly authorized, executed and delivered by each party and constitutes a valid and legally binding agreement of each party enforceable in accordance with its terms.
- (3) There is no action, proceeding or investigation pending or threatened, and no basis therefor is known to either party, that could affect the validity or prospective validity of this Contract.
- (4) Insofar as its capacity to carry out any obligation under this Contract is concerned, neither party is in violation of any charter, articles of incorporation, bylaws, certificates of formation, limited liability company agreement, mortgage, indenture, indebtedness, agreement, instrument, judgment, decree, order, statute, rule or regulation and none of the foregoing adversely affects its capacity to fulfill any of its obligations under this Contract. Its execution of, and performance pursuant to, this Contract will not result in a violation of any of the foregoing.

b. Seller/Service's Representations, Warranties and Covenants.

In addition to the representations, warranties and covenants made by the Seller/Service pursuant to subparagraph (a) of this paragraph 3, the Seller/Service makes the representations, warranties and covenants set forth in the Guides and, upon request, agrees to deliver to Residential Funding the certified Resolution of Board of Directors which authorizes the execution and delivery of this Contract.

4. REMEDIES OF RESIDENTIAL FUNDING.

If an Event of Seller Default or an Event of Service Default shall occur, Residential Funding may, at its option, exercise one or more of those remedies set forth in the Guides.

5. SELLER/SERVICER'S STATUS AS INDEPENDENT CONTRACTOR.

At no time shall the Seller/Serviceur represent that it is acting as an agent of Residential Funding. The Seller/Serviceur shall, at all times, act as an independent contractor.

6. PRIOR AGREEMENTS SUPERSEDED.

This Contract restates, amends and supersedes any and all prior Seller Contracts or Serviceur Contracts between the parties except that any subservicing agreement executed by the Seller/Serviceur in connection with any loan-security exchange transaction shall not be affected.

7. ASSIGNMENT.

This Contract may not be assigned or transferred, in whole or in part, by the Seller/Serviceur without the prior written consent of Residential Funding. Residential Funding may sell, assign, convey, hypothecate, pledge or in any other way transfer, in whole or in part, without restriction, its rights under this Contract and the Guides with respect to any Commitment or Loan.

8. NOTICES.

All notices, requests, demands or other communications that are to be given under this Contract shall be in writing, addressed to the appropriate parties and sent by telefacsimile or by overnight courier or by United States mail, postage prepaid, to the addresses and telefacsimile numbers specified below. However, another name, address and/or telefacsimile number may be substituted by the Seller/Serviceur pursuant to the requirements of this paragraph 8, or Residential Funding pursuant to an amendment to the Guides.

9. JURISDICTION AND VENUE.

Each of the parties irrevocably submits to the jurisdiction of any state or federal court located in Hennepin County, Minnesota, over any action, suit or proceeding to enforce or defend any right under this Contract or otherwise arising from any loan sale or servicing relationship existing in connection with this Contract, and each of the parties irrevocably agrees that all claims in respect of any such action or proceeding may be heard or determined in such state or federal court. Each of the parties irrevocably waives the defense of an inconvenient forum to the maintenance of any such action or proceeding and any other substantive or procedural rights or remedies it may have with respect to the maintenance of any such action or proceeding in any such forum. All paragraph headings contained herein are for convenience only and shall not be construed as part of this Contract. Any provision of this Contract that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction, and, to this end, the provisions hereof are severable. This Contract shall be governed by, and construed and enforced in accordance with, applicable federal laws and the laws of the State of Minnesota.

IN WITNESS WHEREOF, the duly authorized officers of the Seller/Serviceur and Residential Funding have executed this Seller/Serviceur Contract as of the date first above written.

1. That he is [Title of Officer] of [Name of Owner] (record or beneficial owner of the Mortgage Asset-Backed Pass-Through Certificates, Series _____, Class R (the "Owner")), a [savings institution] [corporation] duly organized and existing under the laws of [the State of _____] [the United States], on behalf of which he makes this affidavit and agreement.

2. That the Owner (i) is not and will not be a "disqualified organization" or an electing large partnership as of [date of transfer] within the meaning of Sections 860E(e)(5) and 775, respectively, of the Internal Revenue Code of 1986, as amended (the "Code") or an electing large partnership under Section 775(a) of the Code, (ii) will endeavor to remain other than a disqualified organization for so long as it retains its ownership interest in the Class R Certificates, and (iii) is acquiring the Class R Certificates for its own account or for the account of another Owner from which it has received an affidavit and agreement in substantially the same form as this affidavit and agreement. (For this purpose, a "disqualified organization" means an electing large partnership under Section 775 of the Code, the United States, any state or political subdivision thereof, any agency or instrumentality of any of the foregoing (other than an instrumentality all of the activities of which are subject to tax and, except for the Federal Home Loan Mortgage Corporation, a majority of whose board of directors is not selected by any such governmental entity) or any foreign government, international organization or any agency or instrumentality of such foreign government or organization, any rural electric or telephone cooperative, or any organization (other than certain farmers' cooperatives) that is generally exempt from federal income tax unless such organization is subject to the tax on unrelated business taxable income).

3. That the Owner is aware (i) of the tax that would be imposed on transfers of Class R Certificates to disqualified organizations or electing large partnerships, under the Code, that applies to all transfers of Class R Certificates after March 31, 1988; (ii) that such tax would be on the transferor (or, with respect to transfers to electing large partnerships, on each such partnership), or, if such transfer is through an agent (which person includes a broker, nominee or middleman) for a disqualified organization, on the agent; (iii) that the person (other than with respect to transfers to electing large partnerships) otherwise liable for the tax shall be relieved of liability for the tax if the transferee furnishes to such person an affidavit that the transferee is not a disqualified organization and, at the time of transfer, such person does not have actual knowledge that the affidavit is false; and (iv) that the Class R Certificates may be "noneconomic residual interests" within the meaning of Treasury regulations promulgated pursuant to the Code and that the transfer of a noneconomic residual interest will remain liable for any taxes due with respect to the income on such residual interest, unless no significant purpose of the transfer was to impede the assessment or collection of tax.

4. That the Owner is aware of the tax imposed on a "pass-through entity" holding Class R Certificates if either the pass-through entity is an electing large partnership under Section 775 of the Code or if at any time during the taxable year of the pass-through entity a disqualified organization is the record holder of an interest in such entity. (For this purpose, a "pass through entity" includes a regulated investment company, a real estate investment trust or common trust fund, a partnership, trust or estate, and certain cooperatives.)

5. The Owner is either (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity treated as a corporation or a partnership for U.S. federal income tax purposes and created or organized in or under the laws of the United States, any state thereof or the District of Columbia (other than a partnership that is not treated as a United States person under any applicable Treasury regulations), (iii) an estate that is described in Section 7701(a)(30)(D) of the Code, or (iv) a trust that is described in Section 7701(a)(30)(E) of the Code.

6. The Owner hereby agrees that it will not cause income from the Class R Certificates to be attributable to a foreign permanent establishment or fixed base (within the meaning of an applicable income tax treaty) of the Owner or another United States taxpayer.

7. That the Owner is aware that the Trustee will not register the transfer of any Class R Certificates unless the transferee, or the transferee's agent, delivers to it an affidavit and agreement, among other things, in substantially the same form as this affidavit and agreement. The Owner expressly agrees that it will not consummate any such transfer if it knows or believes that any of the representations contained in such affidavit and agreement are false.

8. That the Owner has reviewed the restrictions set forth on the face of the Class R Certificates and the provisions of Section 5.02(f) of the Pooling and Servicing Agreement under which the Class R Certificates were issued (in particular, clause (iii)(A) and (iii)(B) of Section 5.02(f) which authorize the Trustee to deliver payments to a person other than the Owner and negotiate a mandatory sale by the Trustee in the event the Owner holds such Certificates in violation of Section 5.02(f)). The Owner expressly agrees to be bound by and to comply with such restrictions and provisions.

9. That the Owner consents to any additional restrictions or arrangements that shall be deemed necessary upon advice of counsel to constitute a reasonable arrangement to ensure that the Class R Certificates will only be owned, directly or indirectly, by an Owner that is not a disqualified organization.

10. The Owner's Taxpayer Identification Number is _____.

11. This affidavit and agreement relates only to the Class R Certificates held by the Owner and not to any other holder of the Class R Certificates. The Owner understands that the liabilities described herein relate only to the Class R Certificates.

12. That no purpose of the Owner relating to the transfer of any of the Class R Certificates by the Owner is or will be to impede the assessment or collection of any tax; in making this representation, the Owner warrants that the Owner is familiar with (i) Treasury Regulation Section 1.860E-1(c) and recent amendments thereto, effective as of July 19, 2002, and (ii) the preamble describing the adoption of the amendments to such regulation, which is attached hereto as Exhibit 1.

13. That the Owner has no present knowledge or expectation that it will be unable to pay any United States taxes owed by it so long as any of the Certificates remain outstanding.

In this regard, the Owner hereby represents to and for the benefit of the person from whom it acquired the Class R Certificate that the Owner intends to pay taxes associated with holding such Class R Certificate as they become due, fully understanding that it may incur tax liabilities in excess of any cash flows generated by the Class R Certificate.

14. That the Owner has no present knowledge or expectation that it will become insolvent or subject to a bankruptcy proceeding for so long as any of the Class R Certificates remain outstanding.

15. The Purchaser is not an employee benefit plan or other plan subject to the prohibited transaction provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or Section 4975 of the Code, or an investment manager, named fiduciary or a trustee of any such plan, or any other Person acting, directly or indirectly, on behalf of or purchasing any Certificate with "plan assets" of any such plan.

Background

This document contains final regulations regarding the proposed amendments to 26 CFR part 1 under section 860E of the Internal Revenue Code (Code). The regulations provide the circumstances under which a transferor of a noneconomic REMIC residual interest meeting the investigation and representation requirements may avail itself of the safe harbor by satisfying either the formula test or the asset test.

Final regulations governing REMICs, issued in 1992, contain rules governing the transfer of noneconomic REMIC residual interests. In general, a transfer of a noneconomic residual interest is disregarded for all tax purposes if a significant purpose of the transfer is to

[[Page 47452]]

enable the transferor to impede the assessment or collection of tax. A purpose to impede the assessment or collection of tax (a wrongful purpose) exists if the transferor, at the time of the transfer, either knew or should have known that the transferee would be unwilling or unable to pay taxes due on its share of the REMIC's taxable income.

Under a safe harbor, the transferor of a REMIC noneconomic residual interest is presumed not to have a wrongful purpose if two requirements are satisfied: (1) the transferor conducts a reasonable investigation of the transferee's financial condition (the investigation requirement); and (2) the transferor secures a representation from the transferee to the effect that the transferee understands the tax obligations associated with holding a residual interest and intends to pay those taxes (the representation requirement).

The IRS and Treasury have been concerned that some transferors of noneconomic residual interests claim they satisfy the safe harbor even in situations where the economics of the transfer clearly indicate the transferee is unwilling or unable to pay the tax associated with holding the interest. For this reason, on February 7, 2000, the IRS published in the Federal Register (65 FR 5807) a notice of proposed rulemaking (REG-100276-97; REG-122450-98) designed to clarify the safe harbor by adding the "formula test," an economic test. The proposed

5/19/2014

www.sec.gov/Archives/edgar/data/1396664/000139666407000005/qs7ssfinal.htm

regulation provides that the safe harbor is unavailable unless the present value of the anticipated tax liabilities associated with holding the residual interest does not exceed the sum of: (1) The present value of any consideration given to the transferee to acquire the interest; (2) the present value of the expected future distributions on the interest; and (3) the present value of the anticipated tax savings associated with holding the interest as the REMIC generates losses.

The notice of proposed rulemaking also contained rules for FASITs. Section 1.860H-6(g) of the proposed regulations provides requirements for transfers of FASIT ownership interests and adopts a safe harbor by reference to the safe harbor provisions of the REMIC regulations.

In January 2001, the IRS published Rev. Proc. 2001-12 (2001-3 I.R.B. 335) to set forth an alternative safe harbor that taxpayers could use while the IRS and the Treasury considered comments on the proposed regulations. Under the alternative safe harbor, if a transferor meets the investigation requirement and the representation requirement but the transfer fails to meet the formula test, the transferor may invoke the safe harbor if the transferee meets a two-prong test (the asset test). A transferee generally meets the first prong of this test if, at the time of the transfer, and in each of the two years preceding the year of transfer, the transferee's gross assets exceed \$100 million and its net assets exceed \$10 million. A transferee generally meets the second prong of this test if it is a domestic, taxable corporation and agrees in writing not to transfer the interest to any person other than another domestic, taxable corporation that also satisfies the requirements of the asset test. A transferor cannot rely on the asset test if the transferor knows, or has reason to know, that the transferee will not comply with its written agreement to limit the restrictions on subsequent transfers of the residual interest.

Rev. Proc. 2001-12 provides that the asset test fails to be satisfied in the case of a transfer or assignment of a noneconomic residual interest to a foreign branch of an otherwise eligible transferee. If such a transfer or assignment were permitted, a corporate taxpayer might seek to claim that the provisions of an applicable income tax treaty would resource excess inclusion income as foreign source income, and that, as a consequence, any U.S. tax liability attributable to the excess inclusion income could be offset by foreign tax credits. Such a claim would impede the assessment or collection of U.S. tax on excess inclusion income, contrary to the congressional purpose of assuring that such income will be taxable in all events. See, e.g., sections 860E(a)(1), (b), (e) and 860G(b) of the Code.

The Treasury and the IRS have learned that certain taxpayers transferring noneconomic residual interests to foreign branches have attempted to rely on the formula test to obtain safe harbor treatment in an effort to impede the assessment or collection of U.S. tax on excess inclusion income. Accordingly, the final regulations provide that if a noneconomic residual interest is transferred to a foreign permanent establishment or fixed base of a U.S. taxpayer, the transfer is not eligible for safe harbor treatment under either the asset test or the formula test. The final regulations also require a transferee to represent that it will not cause income from the noneconomic residual interest to be attributable to a foreign permanent establishment or fixed base.

Section 1.860E-1(c)(8) provides computational rules that a taxpayer may use to qualify for safe harbor status under the formula test. Section 1.860E-1(c)(8)(i) provides that the transferee is presumed to pay tax at a rate equal to the highest rate of tax specified in section 11(b). Some commentators were concerned that this presumed rate of taxation was too high because it does not take into consideration taxpayers subject to the alternative minimum tax rate. In light of the comments received, this provision has been amended in the final regulations to allow certain transferees that compute their taxable income using the alternative minimum tax rate to use the alternative minimum tax rate applicable to corporations.

Additionally, Sec. 1.860E-1(c)(8)(iii) provides that the present values in the formula test are to be computed using a discount rate equal to the applicable Federal short-term rate prescribed by section 1274(d). This is a change from the proposed regulation and Rev. Proc. 2001-12. In those publications the provision stated that "present values are computed using a discount rate equal to the applicable Federal rate prescribed in section 1274(d) compounded semiannually" and that "[a] lower discount rate may be used if the transferee can demonstrate that it regularly borrows, in the course of its trade or business, substantial funds at such lower rate from an unrelated third party." The IRS and the Treasury Department have learned that, based on this provision, certain taxpayers have been attempting to use unrealistically low or zero interest rates to satisfy the formula test, frustrating the intent of the test. Furthermore, the Treasury Department and the IRS believe that a rule allowing for a rate other than a rate based on an objective index would add unnecessary complexity to the safe harbor. As a result, the rule in the proposed regulations that permits a transferee to use a lower discount rate, if the transferee can demonstrate that it regularly borrows substantial funds at such lower rate, is not included in the final regulations; and the Federal short-term rate has been substituted for the applicable Federal rate. To simplify taxpayers' computations, the final regulations allow use of any of the published short-term rates, provided that the present values are computed with a corresponding period of compounding. With the exception of the provisions relating to

5/19/2014

www.sec.gov/Archives/edgar/data/1396664/000139666407000005/qs7ssfinal.htm

transfers to foreign branches, these changes generally have the proposed applicability date of February 4, 2000, but taxpayers may choose to apply the interest rate formula set forth in the proposed regulation and Rev. Proc. 2001-12 for transfers occurring before August 19, 2002.

It is anticipated that when final regulations are adopted with respect to

[[Page 47453]]

FASITs, Sec. 1.860H-6(g) of the proposed regulations will be adopted in substantially its present form, with the result that the final regulations contained in this document will also govern transfers of FASIT ownership interests with substantially the same applicability date as is contained in this document.

Effect on Other Documents

Rev. Proc. 2001-12 (2001-3 I.R.B. 335) is obsolete for transfers of noneconomic residual interests in REMICs occurring on or after August 19, 2002.

Special Analyses

It is hereby certified that these regulations will not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that it is unlikely that a substantial number of small entities will hold REMIC residual interests. Therefore, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that sections 553(b) and 553(d) of the Administrative Procedure Act (5 U.S.C. chapter 5) do not apply to these regulations.

3. The term "securities" as used herein does not include (i) securities of issuers that are affiliated with the Buyer, (ii) securities that are part of an unsold allotment to or subscription by the Buyer, if the Buyer is a dealer, (iii) bank deposit notes and certificates of deposit, (iv) loan participations, (v) repurchase agreements, (vi) securities owned but subject to a repurchase agreement and (vii) currency, interest rate and commodity swaps.
